We have gathered today, to celebrate 2 people, who can finally have sex. We are gathered today, to witness the metaphysical love between the two people, in front of us, and not to witness the physical love, that they are going to perform later today, to consummate their relationship. The sexual journey these two people are going to experience, is something special, since I remind you, that there is no sex before marriage. May your unprotected sex give you many children of God. As God says about sex before marriage:

Hebrews 13:4

“Let marriage be held in honor among all, and let the marriage bed be undefiled, for God will judge the sexually immoral and adulterous.”

Now to the vows. The groom will start, and the bride will follow.

And know, if there are no one who objects, to the bond, that will imprison these two lovely people, in a loving relationship, for if love is not given, the Lord will strike upon you.

Do any object?

Well then...

Do you say yes, Kasper, to take this woman, to be your lawful wedded wife?

And do you say yes, Simone, to take this man, to be your lawfully wedded husband?

You are now married, in the name of God. Kasper, you may now kiss your lovely wife.
